

Quick-guide for Hopspots

1

Download the Hopspots App from App Store.

2

Make sure the iPad has access to network.

3

Turn on Bluetooth on the iPad.

4

Open the app and log in with your username and password.

Log in

5

Turn on Hopspots by turning the big round button.

6

Attach the cable to the iPad and place it on top of the speaker unit. (Not if you have a Mini)

8

Press Colour Pairing and follow the instruction on the screen. (Skip every second spot if you have a Mini)

9

Pick a game and get started!

7

Go to Settings and turn Spot Master on. (Becomes green)
